*THE DISSERTATION OF DR. PETAR BERON*

Abstract:

*The University Library holds a unique copy of Dr. Petar Beron's dissertation. In 1988, during a state visit to Bulgaria, the President of Germany, Mr. Richard von Weizsäcker, gave the Rector of the Sofia University "St. Kliment Ohridski" specially prepared for the visit copy of the dissertation of Dr. Petar Beron *Dissertatio inauguralis sistens Novum Lecanometron et Embryometron quam pro summis in Medicina, Chirurgia et Arte – facsimile edition in a single copy. The dissertation is placed in a special box, made of cardboard, dressed in beige leather and padded with brown velvet. The facsimile of the dissertation itself is a book body containing 24 pages (of dimensions 15 cm x 21 cm).**

Keywords:

*Petar Beron, Bouquer, dissertation, medicine, surgery, obstetrics, naturphilosophy, physics, chemistry, meteorology, earth magnetism, wave theory, emission theory of light, Panépistème*
